Blessing Boxes

Blessing Boxes have been used for many years by the Christian Women's groups of the Disciples of Christ. These boxes are kept in our homes and offices to enable them to express their gratitude for everyday blessings. Thanks is given for a sunny day, a birth, a reconciling experience, a welcome phone call, a child's smile, relief from pain, anything else for which we are grateful.

It is a spiritual discipline even more than a financial one. It helps keep a focus on gratitude to God and on the responsibility to share blessings with others. The amount put in may be a nickel, dime, a quarter, a dollar, etc.

The amount is not nearly as important as the discipline of regularly remembering God's goodness thru the

acts of giving and praying prayers of thanksgiving.

We would like to invite everyone to participate in this Blessing Box ministry. Boxes are collected each June and the money is given to our Christian Women's Ministry group that helps support programs designed for those in need, both in our own community and around the world.

These beautiful Blessing Boxes are available in the Library ! (Thank You Theresa Hilbert for making the beautiful boxes)
