Regional Assembly of the Christian Church in Ohio notes

I attended this event October 6th at Gender Road Christian Church. Over 360 Disciples were gathered to move our statewide ministry forward. Here are some items that were decided -

Suspending search for new Regional Pastor. During this time of transition Ohio is served by a Regional Administrator and a Camp Superintendent with assistance from surrounding Regions as needed.

Called together a Regional Transition Team to listen, vision, and advise our Region through this transition.

Collected offerings for Camp Christian have reduced the mortgage from \$280,000 to less than \$60,000.

Balanced the current Regional current budget.

Continue to keep the leadership of the Region of Ohio in your prayers. God is with us, leading us into a bright future. Please see me with any questions -
